Lauren A. Costello

costello.lau@northeastern.edu
https://orcid.org/0000-0001-8963-7267

EDUCATION

Northeastern University (Boston, MA) Expected 2030
Ph.D., Psychology
Advisor: Brie Reid, PhD

Northeastern University (Boston, MA) Expected 2027
M.S., Psychology
Advisor: Brie Reid, PhD

University of Richmond (Richmond, VA) May 2019
B.A. Psychology, Double Major in Classical Civilizations**,** *Cum Laude*
Senior Thesis in Psychology: *Associations Between Children's Gender Nonconforming Behavior and Peer Relationships*
Senior Thesis in Classical Civilizations: *The Significance of Epiphany Dreams in Classical Greece*

University of Galway (Galway, Ireland) - Study Abroad Fall 2017

RESEARCH EXPERIENCE

Graduate Research Assistant September 2025 - Present
Department of Psychology, Northeastern University, Boston, MA
PI: Brie Reid, PhD

Laboratory Manager / Research Associate July 2023– July 2025
Department of Child and Adolescent Psychiatry, New York University Grossman School of Medicine, New York, NY
PI: Lauren Shuffrey, PhD

Research Coordinator July 2021– July 2023
Department of Psychology, Stanford University, Stanford, CA
PI: Ian Gotlib, PhD

Postgraduate Research Associate July 2019– July 2021
Yale Center for Emotional Intelligence, Yale Child Study Center, Yale School of Medicine, New Haven, CT
PIs: Craig Bailey, PhD, Irem Korucu, PhD

Undergraduate Research Associate Jan 2018– May 2019
Department of Psychology, University of Richmond, Richmond, VA
PI: Karen Kochel, PhD

Outreach Intern August 2018– May 2019
University of Richmond Counseling and Psychological Services, University of Richmond, Richmond, VA
Supervisors: Kristen Day, PhD, Charlyn Small, PhD

Developmental Science Summer Intern June– July 2018

Yale Child Study Center, Yale School of Medicine, New Haven, CT
PI: Denis Sukhodosky, PhD

Korucu (Chair), Executive Function in the preschool classroom: Understanding the peers' influence and group-based executive function assessments. Paper Symposium at *Society for Research on Child Development Biennial Meeting*, Virtual.

SELECTED POSTER PRESENTATIONS (*mentored trainee)

25. **Costello, L.A.**, Gray, Z.J., Slavich, G.M., Gunnar, M.G., Reid, B.M. (Submitted) Rearing history moderates measurement of self-reported deprivation: A dyadic adversity-model test. Poster submitted to *Society for Research on Child Development Biennial Meeting*, Atlanta, GA.

24. Daughtery, M.*, **Costello, L.A.**, Donzella, B., Gunnar, M.G., Reid, B.M. (Submitted) Dietary inflammation is associated with domain-specific externalizing behaviors within adolescence. Poster submitted to *Society for Research on Child Development Biennial Meeting*, Atlanta, GA.

23. Daughtery, M.*, **Costello, L.A.**, Celestin, G.F., Aran, Ö., Zion, A.Z., … Reid, B.M. (November 2026) Bridging emotions and nutrition: A longitudinal cohort protocol for investigating psychosocial stress and iron status and pregnancy. Poster presented to *International Society for Developmental Psychobiology*, New Orleans, LA.

22. **Costello, L.A.**, Garavan, H., Johnson, M.E., Potter, A., Albaugh, M.D., Gonçalves, P.D. (September 2026) Prenatal cumulative stress burden predicts adolescent white matter microstructure in the uncinate fasciculus. Poster presented at *FLUX Congress*, La Jolla, CA.

21. **Costello, L.A.**, Daughtery, M.*, Gunnar, M.R., Reid, B.M. (May 2026) Parental life-threatening stress severity is associated with elevated IL-6 in late adolescence. Poster presented at *Society of Biological Psychiatry Annual Meeting*, New York, NY.

20. Collazo Vargas, J., Banker, S.M., Akbaryan, A., **Costello, L.A**., Shuffrey, L.C. (September 2025) Household income as moderator in the association between childhood unpredictability and prenatal anxiety instability. Poster presented at *International Society of Psychoneuroendocrinology Annual Conference*, New Orleans, LA.

19. Banker, S.M., **Costello, L.A.**, Akbaryan, A., Collazo Vargas, J., Shuffrey, L.C. (September 2025) Investigating the interplay between prenatal maternal sleep, prenatal maternal anxiety dynamics, and neonatal brain function. Poster presented at *FLUX Congress*, Dublin, IE.

18. Akbaryan, A., Pini, N., **Costello, L.A.**, Collazo Vargas, J., Berkowitz, A.S., Garcia, E., Radice, G., Odom, E., Shuffrey, L.C. (May 2024) Examining associations between generalized and pregnancy-specific anxiety with infant brain activity. Poster presented at *Society for Research on Child Development Biennial Meeting*, Minneapolis, MN.

17. Collazo Vargas, J., Akbaryan, A., **Costello, L.A.**, Berkowitz, A.S., Garcia, E., Radice, G., Odom, E., Shuffrey, L.C. (May 2024) Association between childhood adversity on prenatal maternal depression, anxiety, and perceived stress trajectories. Poster presented at *Society for Research on Child Development Biennial Meeting*, Minneapolis, MN.

16. Collazo Vargas, J., Akbaryan, A., **Costello, L.A.**, Berkowitz, A.S., Garcia, E., Radice, G., Odom, E., Shuffrey, L.C. (April 2024) Association between childhood adversity on prenatal maternal depression, anxiety, and perceived stress trajectories. Poster presented at *Diversifying Scholarship Research Conference*, Charlottesville, VA.

15. Akbaryan, A., Pini, N., **Costello, L.A.**, Collazo Vargas, J., Berkowitz, A.S., Garcia, E., Radice, G., Odom, E., Shuffrey, L.C. (March 2024) Associations between generalized and pregnancy-specific maternal anxiety symptoms and infant brain function. Poster presented at *Eastern Psychological Society Annual Meeting*, New York, NY.

14. Collazo Vargas, J., Akbaryan, A., **Costello, L.A.**, Berkowitz, A.S., Garcia, E., Radice, G., Odom, E., Shuffrey, L.C. (March 2024) Association of early life unpredictability on prenatal maternal mental health trajectories. Poster presented at *Eastern Psychological Society Annual Meeting*, New York, NY.

13. Radice, G.R.*, **Costello, L.A.**, Collazo Vargas, J., Akbaryan, A., Shuffrey, L.C. (March 2024) Linking maternal mental health to facial expression in dyadic interactions. Poster presented at *Eastern Psychological Society Annual Meeting*, New York, NY.

12. Berkowitz, A.S.*, **Costello, L.A.**, Collazo Vargas, J., Akbaryan, A., Shuffrey, L.C. (March 2024) Bridging maternal affect and attachment: A multimethod approach to understanding mother-infant bonding in the perinatal period. Poster presented at *Eastern Psychological Society Annual Meeting*, New York, NY.

11. Garcia, E.J..*, Akbaryan, A., Collazo Vargas, J., Shuffrey, L.C., **Costello, L.A.** (March 2024) Exploring the relationship between anxious romantic attachment and mother-infant attachment quality during the antenatal period. Poster presented at *Eastern Psychological Society Annual Meeting*, New York, NY.

10. Odom, E.*, Akbaryan, A., Collazo Vargas, J., Shuffrey, L.C., **Costello, L.A.** (March 2024) The association of psychosocially adverse childbirth experiences with postpartum depressive symptoms. Poster presented at *Eastern Psychological Society Annual Meeting*, New York, NY.

9. **Costello, L.A.**, Akbaryan, A., Collazo Vargas, J., Berkowitz, A.S., Garcia, E., Radice, G., Odom, E., Shuffrey, L.C. (March 2024). Maternal childhood unpredictability is associated with prenatal maternal mood entropy. Poster presented at *Eastern Psychological Society Annual Meeting*, New York, NY.

8. Akbaryan, A.*, Firestein, M., Alshawabkeh, A., Brennan, P., **Costello, L.A.**, … Shuffrey, L.C. (October 2024) Association of COVID-19 pandemic exposure with preschool externalizing and internalizing behaviors. Poster presented at *International Society for Developmental Psychobiology Annual Meeting*, Chicago, IL

7. Collazo Vargas, J.*, Akbaryan, A.*, **Costello, L.A.**, Shuffrey, L.C. (October 2024) Examining the association of adverse childhood experiences on maternal mental health trajectories during pregnancy. Poster presented to *International Society for Developmental Psychobiology Annual Meeting*, Chicago, IL

6. **Costello, L.A.**, Ziegler, K., McCormack, L., Akbaryan, A.*, Collazo Vargas, J.*, Harris, W.H., Jackson, K.H., Morales, S., Elliott, A.J., Hockett, C., Shuffrey, L.C. (May 2024) Pre-pregnancy overweight or obesity moderates the association between prenatal maternal depression and infant cord blood omega-3 levels. Poster presented at *Society of Biological Psychiatry Annual Meeting*, Austin, TX.

5. **Costello, L.A.**, Buthmann, J.L., Joachimsthaler, J.*, Borchers, L.R., Dennis, E.L., Ho, T.C., Gotlib, I.H. (September 2023) Infant white matter cingulum microstructure moderates the association of maternal anxiety symptoms with infant behavioral outcomes. Poster presented at *FLUX Congress*, Santa Rosa, CA.

4. **Costello, L.A.**, Buthmann, J.L., Borchers, L.R., Dennis, E.L., Ho, T.C., Gotlib, I.H. (September 2022) Maternal caregiving moderates the association of maternal stress with infant white matter cingulum microstructure. Poster presented at *FLUX Congress*, Paris, FR.

3. **Costello, L.A.**, Buthmann, J.L., Gotlib, I. H. (April 2022) Prenatal COVID-19 related stress, maternal emotion regulation, and infant temperament: Assessing the developmental impact of the COVID-19 pandemic. Poster presented at *Society of Biological Psychiatry Annual Meeting*, New Orleans, LA.

2. **Costello, L.A.**, Korucu, I., Bailey, C. (April 2021) Associations of Autism Spectrum Disorder traits on Emotion Recognition Accuracy in Early Childhood. Poster presented at *Society for Research on Child Development Biennial Meeting*, Virtual.

1. Kochel, K., & **Costello, L.A.** (March 2020) Associations Between Gender Nonconforming Behavior and Peer Relationship Difficulties. Poster accepted at the *Society for Research on Adolescence Biennial Meeting*, San Diego, CA.

INVITED TALKS

Intro to MR Research — February 2026
Invited Talk, *REID Lab Science Meeting*, Boston, MA.

Pre-pregnancy overweight or obesity moderates the association between prenatal maternal depression and infant cord blood omega-3 levels — March 2024
Invited speaking engagement, *Avera Research Institute Science Flash Talks*, Sioux Falls, SD.

Self-Love 101 — February 2021
Invited speaking engagement, *Kids Helping Kids Leadership Workshop Series*, Stamford, CT.

PROFESSIONAL AND COMMUNITY SERVICE

2026– Present	Northeastern University Community Liasons for Education Using STEM
2026– Present	Northeastern University Psychologists for Inclusion and Equity
2025– 2026	The Junior League of Boston
2024– 2025	The Junior League of the City of New York
2023– 2025	NYU DCAP Health Equity & Inclusion Program, Community Engagement and Outreach Committee
2022– 2026	Letters to a Pre-Scientist, Pen Pal
2020– 2023	Kids Helping Kids CT Junior Board of Directors, Secretary
2020– 2021	Yale Center for Emotional Intelligence Equity Committee
2019– 2021	Camp Kesem at Yale University Advisory Board, Alumni Liaison
2017– 2019	Grant Writing Consultant, Kids Helping Kids CT

HONORS AND AWARDS

2026	ABCD Scientific Training in Addiction Research Techniques (START) Scholar
2025	Society of Biological Psychiatry BP:GOS Best Paper Award (doi:10.1016/j.bpsgos.2022.11.002)
2019	Cum Laude, Latin Honors, *University of Richmond*

2019	Westhampton College Senior Distinguished Leader Award Finalist, *University of Richmond*
2018-19	Dean's List, College of Arts and Sciences, *University of Richmond*
2018	Spider Internship Fund Recipient, *University of Richmond*
2018	Eta Sigma Phi Honor Society, *University of Richmond*

PROFESSIONAL MEMBERSHIPS

Flux Society, Society for Behavioral Psychiatry, International Society for Developmental Psychobiology, Society for Research on Child Development

TRAINING IN ADVANCED METHODS

Advanced Training in Statistical Methods in Neuroimaging and Genetics April 2026
(Instructors: Amanda Mejia, PhD, Anna Docherty, PhD, Rick Betzel, PhD, Martin Lindquist, PhD)

Data Science Toolkit for Human Neuroscience Research January 2026 – April 2026
(Instructor: Stephanie Noble, PhD)

SKILLS

Software: Advanced: R, RedCap, Qualtrics, SPSS; Intermediate: MATLAB, Python; Basic: Stata
Neuroimaging Processing/Pipelines: FSL, DSI Studio, FreeSurfer, HAPPE for EEG, fMRIPrep, nibabies, BIBSnet, AFNI, Nipype, dcm2bids, Osprey(MRS), BIDS
Psychophysiological Data Collection: Electroencephalography (EEG; infant), Magnetic Resonance Imaging (3T Siemens Prisma MRI; infant/adolescent/adult), Noldus (The Observer XT (Human Behavior), FaceReader), Trier Social Stress Test
High-Performance Computing: SLURM-based HPC cluster management (Northeastern Explorer), Linux/bash, containerized neuroimaging pipelines (Apptainer/Singularity)
Clinical/Cognitive Interviews and Assessments: The Structured Clinical Interview for DSM-5 (SCID-5), Kiddie Schedule for Affective Disorders and Schizophrenia - Present/Lifetime Version (K-SADS-PL), Traumatic Events Screening Inventory (TESI)
Language Fluency: English (native speaker), Spanish (intermediate)
